

SPONSORSHIP REQUEST

23rd Annual MPFC Meeting & 9th Annual Burning Issues Workshop

February 7 & 8, 2022
 IN-PERSON OR VIRTUAL
 Camp Grayling, Grayling, MI

The Michigan Prescribed Fire Council (MPFC) is a collective of voluntary local, state, federal, university, private, and non-profit prescribed fire managers and researchers from across Michigan and other Midwest states that operate on public and private lands with aims of protecting, conserving, and expanding the safe use of prescribed fire in Michigan and across the country.

We are asking for your organization to support us by providing financial sponsorship for the Annual Burning Issues Workshop. Due to the pandemic, the past two years have been virtual-only and we are eager to host a hybrid workshop in 2023 for over 100 expected participants. Your donation will assist our organization in providing this high-quality learning and networking opportunity for those engaged in burning as well as those wanting to ramp up their use of prescribed fire across the state. There will be six sessions including a keynote, panels, and workshop involving over 12 professionals engaging on the following topics: Game Bird Habitats (Keynote), Birds and Fire, Oak Savanna Management, Fire Monitoring and Research, Fire in the Urban Interface, and a 484-1 Burn Planning Workshop. Event registration and full details are available on our website (FireCouncil.org).

Sponsorship Levels

Fire Cache Level (In-kind): donate an item for our silent auction (does not have to be fire related), your logo/name on item bid form

Drip Torch Level (\$100): sponsor a student participant, your logo/name on sponsor slideshow

Backfire Level (\$200): sponsor a speaker, custom slide on sponsor slideshow at event

Headfire Level (\$500): sponsor a session, your logo/name on program material at event, name tagged on 1 social media post leading up to event, spoken recognition during a session, 1 free registration for your staff

Burn Boss Level (\$1000): event sponsor, your logo/name on program material at event, spoken recognition during event open/close, name tagged on all social media posts related to the event, 2 free registrations for your staff

Contact Stephanie Diep, MPFC Treasurer, at info@firecouncil.org for questions or instructions for mailing a check and providing material.

Thank you for considering this request. Your support is deeply appreciated!
